EXPERIENCE

Independent Contractor — Software Development & Digital Marketing

Self-Employed | Remote / Philippines | 2023 – Present

- Design and deploy custom websites, landing pages, and sales funnels for wellness clients using HTML/CSS/JS, WordPress, Astro.js, and Tailwind CSS, improving lead capture and user experience.
- Plan and optimize Meta advertising campaigns (creative, targeting, budget, reporting) to generate qualified leads for weight loss, diabetes, and neuropathy programs.
- Build and manage full marketing automation in GoHighLevel/Systeme.io including forms, email/SMS sequences, and pipeline tracking to boost conversions and client value.
- Create lead magnets (e.g. insulin resistance PDFs), testimonial graphics, and before/after visuals; handle SEO, Google reviews, and social content to strengthen client online presence and ROI.

Digital Marketing Virtual Assistant

Doneverse | Australia (Remote) | February 2024 – February 2025

- Managed end-to-end digital marketing operations, supporting lead generation, customer acquisition, and business growth.
- Built and optimized websites, landing pages, and sales funnels using WordPress, GoHighLevel, Systeme.io, and ClickFunnels, including custom HTML, CSS, and JavaScript.
- Managed Meta (Facebook and Instagram) advertising campaigns, including audience targeting, creative testing, budget management, and performance optimization.
- Developed email marketing campaigns, automation workflows, CRM pipelines, and lead nurturing systems to improve conversions.
- Created marketing assets including social media content, graphics, ad creatives, lead magnets, and landing page copy.
- Conducted SEO research, competitor analysis, market research, and website optimization to improve online visibility.
- Tracked campaign performance, analyzed marketing data, and prepared reports to support data-driven decision making.

Full-Time Missionary

The Church of Jesus Christ of Latter-day Saints | Philippines | August 2021 – August 2023

- Engaged 50+ individuals daily through outreach and teaching, developing strong interpersonal, customer service, and cross-cultural communication skills.
- Trained and mentored 3 new volunteers on techniques and documentation, accelerating team contribution and performance.

- Maintained precise daily reports, contact records, and progress metrics for accountability and data-driven decisions.
- Collaborated with 20+ person teams on scheduling and goal achievement in fast-paced environments; incorporated leader feedback to improve methods continuously.
-

Budget Office Intern

City Hall of Bato | Camarines Sur, Philippines | January 2019 – March 2019

- Prepared and reviewed budget reports and financial documents for municipal departments, supporting accurate fiscal planning and transparency.
- Drafted official correspondence and managed inter-office updates on budget allocations and procedures.
- Reorganized filing systems (physical/digital) to improve document retrieval speed and office efficiency; provided broad administrative support demonstrating reliability and multitasking.

LEADERSHIP & TEAM DEVELOPMENT

Missionary Leadership Progression | The Church of Jesus Christ of Latter-day Saints | Philippines | 2021 – 2023

- Progressed through leadership track: Junior Companion → District Leader Trainer → Senior Companion
→ District Leader → Zone Leader → Zone Leader Lead (2021–2023).
- Led and trained 10–30+ missionaries across districts/zones on teaching effectiveness, time management, and operations; delivered training, coaching, and evaluations to build team performance.
- Established goal-setting, scheduling, and reporting systems that improved accountability, transparency, and results in assigned areas
