

SOP

Title: Configure Links Between Funnel Pages – SOP

Frequency:As Needed

Outcome:

- A user is invited to the Meta Business Suite successfully.
- The appropriate permissions are assigned to the user.
- The invited user receives and accepts the invitation.

Steps:

- Log in to Facebook.
- Switch to the correct Facebook Page profile.
- Open the Facebook Page.
- Click **Meta Business Suite**.
- Click the **Business Portfolio** drop-down in the upper left corner.
- Select the correct Business Portfolio.
- Click **Business Settings**.
- Select **People**.
- Click **Invite People**.
- Enter the person's email address.
- If temporary access is required, enable **Temporary Access**. Otherwise, leave it disabled.
- Click **Next**.

- Choose whether to grant **Full Control**.
- Click **Next**.
- Select the appropriate Business Asset.
- Click **Confirm**.
- Select the permissions to grant, such as Content, Messages, Ads, or other available permissions.
- Click **Next**.
- Click **Send Invitation**.
- Ask the invited user to accept the invitation from their email.
- Verify the user's status after they accept the invitation.
