EXPERIENCE

Marketing Automation, Digital Marketing & Web Development — Independent Contractor

Self-Employed | Remote, Philippines | 2023 – Present

- Build responsive websites, landing pages, lead-capture funnels, and conversion pages using HTML, CSS/Tailwind, JavaScript, WordPress, Astro.js, and Systeme.io.
- Configure CRM forms, lead-management workflows, email/SMS nurture sequences, pipelines, booking paths, and automated follow-up in GoHighLevel and Systeme.io.
- Create social content, ad creatives, lead magnets, campaign copy, and marketing assets.
- Support Meta advertising, SEO, research, analytics, testing, QA, and deployment troubleshooting.

Digital Marketing Virtual Assistant

Doneverse | Australia (Remote) | February 2024 – February 2025

- Supported end-to-end digital marketing operations for lead generation, customer acquisition, and business growth.
- Built and optimized websites, landing pages, and sales funnels using WordPress, GoHighLevel, Systeme.io, ClickFunnels, and custom HTML/CSS/JavaScript.
- Supported Meta advertising, email marketing, automation workflows, CRM pipelines, SEO research, social content, lead magnets, and performance reporting.

Full-Time Missionary

The Church of Jesus Christ of Latter-day Saints | Philippines | August 2021 – August 2023

- Engaged with 50+ individuals daily through outreach and teaching.
- Trained and mentored new volunteers on communication, documentation, scheduling, and daily operations.
- Maintained contact records, schedules, goals, and progress reports while working in large teams.

Budget Office Intern

City Hall of Bato | Camarines Sur, Philippines | January 2019 – March 2019

- Prepared budget reports, financial documents, and official correspondence.
- Reorganized physical and digital filing systems and provided administrative support.

LEADERSHIP & TEAM DEVELOPMENT

Missionary Leadership Progression

The Church of Jesus Christ of Latter-day Saints | Philippines | 2021 – 2023

Junior Companion → District Leader Trainer → Senior Companion → District Leader → Zone Leader → Zone Leader Lead

- Progressed through increasing leadership responsibilities across district and zone assignments.
- Led and trained teams of 10–30+ missionaries on communication, teaching effectiveness, time management, scheduling, reporting, coaching, and performance improvement.
- Supported goal-setting, accountability, and operational coordination across assigned teams.
